Hammond High School and Emerson are all ready for their game Saturday night at the Central School. Both coaches have put in a strenuous week. The Hammond team is resting tonight while the Gary team is pitted against the fast Valparaiso team. Having an abundance of good material in his squad Coach Gilroy has this advantage. Therefore the Emerson team has regarded the Hammond game as a sort of practice affair and since the oldest fans here cannot remember the time that Hammond has beaten them, they are somewhat justified. Things have changed now. The high school are playing a faster and cleaner brand of ball each game. Coach Veemaker is making no predictions and the time will be taken to the utmost for the game. The first game between the second teams starts at 7:30. The local second team is on effort on the coach's part to develop a future state championship team. They are all freshmen and although they will have to take a few beatings from the more experienced opponents, they have three seasons left to avenge them.

## Yellow Mustard for Sore Throat, Tonsillitis

Old fashioned remedies are often the best. Yellow Mustard, in the form of plaster or poultice, has been used for generations for sore throats, inflammations, congestions and swellings with most excellent results but it blistered. Heat eases pain and Begy's Mustard made of pure yellow mustard, together with other pain relieving ingredients is just as hot but quicker, cleaner, and more effective and cannot blister. When your throat is sore, when you have pleurisy, bronchitis or a pain-shooting chest cold you can get speedy and lasting relief with this most effective preparation because heat eases pain. Every druglist has it—30 and 60 cents.
